

Entente Florale Europe

Ballinahown to represent Ireland in prestigious competition

Ballinahown is preparing for the visit of the international Entente Florale Europe jury on Saturday, July 13th. Our village is representing Ireland in the prestigious Europe-wide competition.

To coincide with the jury visit, a market will take place in the village car park from 10am until 1pm.

The judges will arrive at 10.30am, when a flag-raising ceremony will take place. This will be followed by a presentation by the committee and officials to the jury members outlining the village's achievements and developments.

The jury members will then take a tour of the village to appraise a number of projects and facilities.

Ballinahown Community Development would like to thank all those who assisted in the preparations for the event, particularly the numerous volunteers in the community who give so willingly and generously of their time.
